garland

Screened CAT 6A Outlet Keystone or Clipsal Style

- Accepts both KRONE & 110 type IDC tools
- Includes adapter for Clipsal style wallplates
- ACMA compliant
- Packs of 12

Designed for 10Gigabit Ethernet systems, Garland screened Category 6A products offer a great solution for an installation requiring high speed and high bandwidth.

The Garland Category 6A screened modular outlet is a superior product, delivering the best network performance when used in conjunction with other Garland products in this range. These modular outlets are color coded for both 568A and 568B standards.

Electrical Characteristics

Details	
DC Interface Resistance	20 milliohms
DC Resistance Imbalance	2.5 milliohms
Insulation Resistance	>100 Megaohms

Ordering Information

Part Number	Description	
MT6A4501C	Screened Cat6A outlet	

Mechanical Characteristics

Details		
	Plastic Housing	Thermoplastic. UL94V-0 rated or equivalent
	Operating Life	Minimum 750 insertion cycles
Jack	Contact Material	Phosphor Bronze
	Contact Plating	Gold over Nickel
	Contact Force	100g minimum
	Plug Retention Force	25 lb.
	Plastic Housing	Polycarbonate, UL94V-0 rated or equivalent
	Operating Life	Minimum 200 re-terminations
	Contact Material	Phosphor bronze
IDC	Contact Force	100g minimum
	Wire Accommodation	22-24 AWG solid
	Tool	KRONE or 110 style

Commercial Standards

Details
ANSI/TIA/EIA-568-C.2 Compliant
