COMPLIANT

Compliance with AU Standards and ActiveFire Certified to AS 3786:2014

(AS 1603.3:2018 for OG30 Heat alarms)

An alarm to suit every part of the home or business

Garland offers a full range of smoke alarms with interconnecting capability to provide the most immediate and complete system available. When any one interconnected alarm is triggered, all interconnected alarms will also sound an immediate warning.

The onGard Wireless Smoke Alarm enables ANY home to have an interconnected system without laborious and hard-to-reach wiring.

With all new homes now required by code to have interconnected alarms, Garland onGard Smoke Alarms are your trusted choice in fire protection.

Hard Wired

The 240V Hard Wired range includes two different sensing technologies (photoelectric and ionisation) as well as a standard 9V or long life lithium back-up battery options.

► **OG20** Photoelectric Alarm :
240V Mains Powered Photoelectric Smoke Alarm

► **OG20LL** Photoelectric Alarm :
240V Mains Powered Photoelectric Smoke Alarm - Long Life Battery Back-up

Used in escape or circulation routes and in areas where there is danger of ignition of furniture or surroundings from slow smouldering fires.

► **OG10** Ionisation Alarm :
240V Mains Powered Ionisation Smoke Alarm

Used in areas where there is danger from fast-flaming fires.

Wireless

The Wireless Interconnecting Talking Smoke Alarm can interconnect with up to 12 devices. If one alarm sounds, all other interconnecting alarms automatically sound. Voice alerts provide clear, loud warnings and inbuilt escape lights provide added safety. The Wireless alarm features a voice-guided set up which can be completed in minutes, with no wiring.

► **OG4000LDCS-WB** Wireless Interconnecting Smoke Alarm :
Wireless Interconnecting Talking Smoke Alarm with Safety Light

Battery Photoelectric

The Battery Photoelectric smoke alarm may detect visible smoke particles (associated with slow smouldering fires) sooner than ionisation alarms. It contains a 10 year, sealed-in long life battery.
